# Warm Up To Winter in Connecticut's Farmington Valley

**Escape to the country!** Whether you seek a romantic getaway or just some family fun, hidden gems await you in Connecticut's Farmington Valley.

Just two hours from New York and Boston is a very special New England winter wonderland with ambiance you thought you had to drive for hours "up North" to find. Quaint country roads wind through miles of hills and valleys as you acquaint yourself with our 7 charming towns.

Stay in a cozy country inn, B & B or warm friendly hotel. Dine by candlelight in an historic inn. You'll discover history, culture and excitement around each bend.

Skiing is just around the corner. Ski downhill at Ski Sundown or enjoy cross-country trails at Winding Trails X-C Ski Center. Don't worry if you're a novice, lessons are available. For additional adventure, snowshoe some of the 25 miles of the Farmington Valley Greenway.

Discover that "special gem" in one of our antique or specialty shops, art galleries, craft centers, and unique shopping centers. Spend a Saturday night at Canton Barn, a country auction house that offers fabulous "finds." Savor homemade pies and enjoy lively bidding in a warm atmosphere accented by an antique pot-bellied stove. Explore three centuries of historic treasures. Step into the 18th Century at the Phelps Tavern Museum & Stanley-Whitman House. The Victorian Age awaits you at the Canton Historical Museum. Step back in time at Hill-Stead Museum, a turn-of-the-century mansion with elegant furnishings and Impressionist masterpieces. Marvel at aviation history from 1870 to the present at the New England Air Museum.
